

# Washington Township High School

Dear Parent(s):

On Thursday evening, October 6<sup>th</sup>, we will be holding our annual Back-to-School Night. You are invited to put aside your regular activities and live a few minutes in your child's world at Washington Township High School. A blank copy of your son/daughter's schedule has been included below. Please have your child complete the schedule so that you may bring it to assist you in navigating your way and meeting his/her teachers in their classrooms or, if you choose, you can log on to PowerSchool and print your child's schedule; however, please be sure to print the schedule that includes the room numbers.

Our classrooms will be open at 6:30 p.m., and **our program will begin in the first period classroom.** A televised presentation by the high school administration will begin at 6:50 p.m. With the exception of period 1, classes will last 10 minutes with 8 minutes passing time between classes. Refreshments will be served in Cafeteria A & B in the 11/12 Wing and Cafeteria C & D in the Core Facility near the 9-10 wing - courtesy of our Washington Township High School P.T.O. In addition, our P.T.O. will be holding its annual membership drive throughout the evening. Please stop by their tables and see what this worthwhile organization is planning for the year.

**PARKING/ENTRANCE DOOR INFORMATION:** Due to the number of parents/guardians that we anticipate attending Back-to-School Night, we ask that as you arrive on campus please start parking in the rear of the complex, then to the sides, and finally in the front (on the Hurffville-Cross Keys Road side of the building.) This should prevent cars from backing up on our access roads. The following entrance doors will be open: Ganttown Road side of 9/10 Wing, Main Entrance of Core Facility, Main Entrance of 11/12 Wing, 11-12 Wing Auditorium entrance, and rear side entrance doors of the Investors Bank Performing Arts Centre. Security personnel, administrators, and ROTC cadets will be stationed either outside or inside the building assisting in this process.

The Faculty and Administration are looking forward to meeting you personally on this evening.

Sincerely,

Ann Moore  
Principal

PERIOD	TIME	CLASS	TEACHER	ROOM
1	6:50-7:10			
2	7:18-7:28			
3	7:36-7:46
