Orchard Valley Middle School will be hosting a Community/Family Charity 2 mile Walk/Run at Washington Lake Park on Sunday, November 22nd at 9:00am. This Run will be our culminating event for the ING **"Run for Something Better"** Grant awarded to Orchard Valley. We have challenged Chestnut Ridge and Bunker Hill to see which school can have the largest turn out of participants (Only \$1.00 per participant). Money raised will go to an obesity-related charity. We are encouraging students, friends and family to come out and walk/run on that day.
