### 2020 Board Goals

#### **Academic Goal:**

To support the selection and integration of appropriate digital platforms to assess, collect, and analyze multiple measures of data so administration can make data-informed decisions to make instructional decisions.

#### **Equity Goal:**

To prioritize the district's efforts ensuring equitable access to high-quality curriculum and instruction, student activities, practices, and effective educators.

#### **Communications Goal:**

To foster appropriate communication and deeper community connections with greater transparency regarding district initiatives, needs, and accomplishments.

#### **Finance Goal:**

To focus on alternative revenue streams as well as sound budget forecasting to offset the reduction in State aid while maintaining safe and modern facilities and optimizing district operations and processes.

*Please note: all district goals are in the [Strategic Plan](#).*
