Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

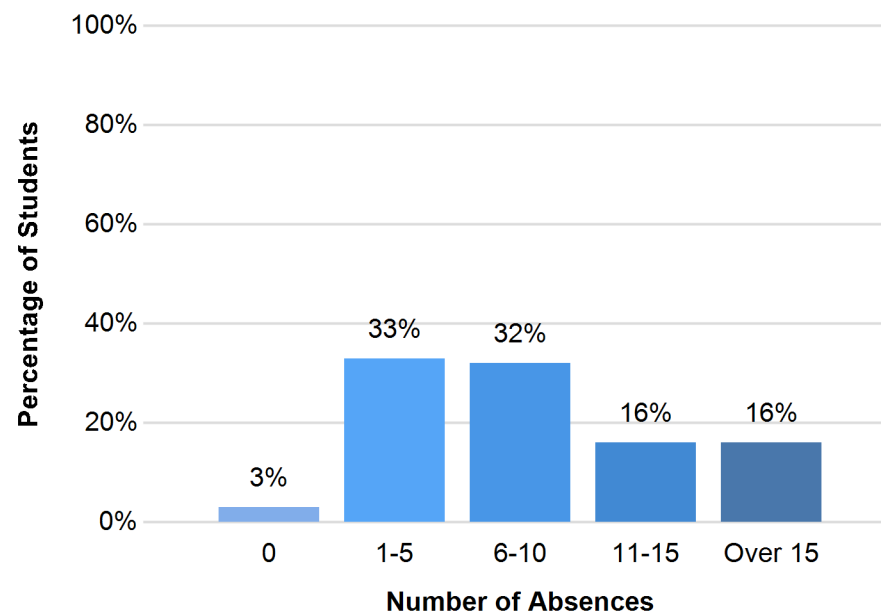

## Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. #### Other Information:

Technology applications continue to be infused into every aspect of the curriculum. This allows technology to open doors for students to access a world of knowledge that exists beyond the doors of our school. The computerized classroom assessment program, STAR Enterprise Reading and Math, is used by all students in all grade levels. The program is used for screening, benchmarking, and progress monitoring. STAR allows teachers to spend less time on assessment and more time on instruction. The Accelerated Reader Program challenges students to read engaging books and then test their comprehension ability through on-line quizzes. First in Math, a robust, online math supplemental program, provides students with opportunities to practice math facts and problem solving skills in a fun and engaging format. Fast ForWord, a computerized program, accelerates learning by developing cognitive skills, memory, attention, processing, and sequencing through a series of activities. Other students participate in Read 180 or System 44 to enhance their acquisition of literacy skills. All of our classrooms are equipped with computers, document cameras, Red Cat amplification systems, LCD projectors, and/ or short throw projectors. Our school enables parent access to grades and attendance using the data management system, PowerSchool. The school website and staff web pages provide parents with detailed information regarding daily events and curriculum information.
