

An easy format for quick read-aloud planning...

Which short text are you choosing to read with students?	
Which reading skill will you highlight for students first?	
Find a place in the text where YOU will model doing that skill?	
What will you say to kids to show them that you are doing that skill?	When I read this part, I am thinking/doing...
Where will you stop in the text next for kids to try that skill?	I want to stop here, why don't you try...
Find another place for them to try that skill.	I want to stop here... Why don't you try...
