

Washington Township Education Foundation

Mini – Grant Program Guidelines – Spring 2018 Submission

ORGANIZATIONAL MISSION: The Washington Township Education Foundation’s mission is (1) enhancing the educational experiences of students; (2) preparing students for higher education and the world of work; and (3) other purposes for which public funding is not available.

PURPOSE OF MINI-GRANTS: The Foundation recognizes the limited public funding available for special projects. In an effort to enhance the educational opportunities for students within the Washington Township School District, it is the intention of the Foundation each year to award grants to teachers who develop a proposal that supports the direction and curriculum of the District. The mini-grant program may sponsor educational experiences supporting a project for up to one year. The Education Foundation typically awards mini-grants in the amount of \$850; however, all ideas are encouraged regardless of proposal cost and will be considered with appropriate documentation on the basis of merit and the availability of funds. The exact number of grants will vary based upon available funds and the caliber of the proposals submitted.

MARKETING AND COMMUNICATION: The Foundation believes all teachers should be invited to participate in the mini-grant program. Marketing should be widespread and include:

- Email to all principals, assistant principals, and teachers
- Highlighted information on the district web page, www.wtps.org
