#### Washington Township High School SCHOLASTIC STUDENT-ATHLETE SAFETY ACT INFORMATION FACT SHEET FOR PARENTS/GUARDIANS

Prior to participation on a school-sponsored interscholastic or intramural athletic team or squad, each studentathlete in grades six (6) through twelve (12) must present a completed Preparticipation Physical Evaluation (PPE) Form to the designated school staff member. Important information regarding the PPE is provided below, and you should <u>feel free to share with your child's medical home health care provider.</u>

- 1. The PPE may ONLY be completed by a licensed physician, advanced practice nurse (APN) or physician assistant (PA) that has completed the Student-Athlete Cardiac Assessment Professional Development module. It is recommended that you verify that your medical provider has completed this module before scheduling an appointment for a PPE.
- The required PPE must be conducted within 365 days prior to the first official practice in an athletic season. The PPE form is available in English and Spanish <u>http://www.state.nj.us/education/students/safety/health/records/athleticphysicalsform.pdf</u>.
- 3. The parent/guardian must complete the History form (page one) and insert the date of the required physical examination at the top of the page.
- 4. The parent/guardian must complete The Athlete with Special Needs: Supplemental History Form (page two), if applicable, for a student with a disability that limits major life activities and, insert the date of the required physical examination on the top of the page.
- 5. The licensed physician, APN or PA who performs the physical examination must complete the remaining two pages of the PPE and insert the date of examination on the Physical Examination Form (page three) and Clearance Form (page four).
- 6. The licensed physician, APN or PA <u>must also sign the certification statement on the PPE form attesting to the completion of the professional development module.</u> Each board of education and charter school or non-public school governing authority must retain the original signed certification on the PPE form to attest to the qualification of the licensed physician, APR or PA to perform the PPE.
- 7. The school district must provide written notification to the parent/guardian, signed by the school physician, indicating approval of the student's participation in a school -sponsored interscholastic or intramural athletic team or squad based on review of the medical report, or must provide the reason(s) for the disapproval of the student's participation.
- 8. For student-athletes that had a medical examination completed more than 90 days prior to the first official practice in an athletic season, the Health History Questionnaire (HHQ) form must be completed and signed by the student's parent/guardian. The HHQ must be reviewed by the school nurse and, if applicable, the school's athletic trainer. The HHQ is available at <a href="http://www.state.nj.us/education/students/safety/health/records/HealthHistoryUpdate.pdf">http://www.state.nj.us/education/students/safety/health/records/HealthHistoryUpdate.pdf</a>.

### Washington Township High School Department of Athletics Student Athlete <u>Physical</u> and <u>Registration</u> Information

According to New Jersey State Code (N.J.A.C. 6A:16), students must have their sports physicals performed at their "medical home" (family physician). If you do not have a "medical home", contact the Athletic Office to make alternative arrangements.

Please note the following information about Sports Physicals: <u>DO NOT GIVE PHYSICAL TO YOUR SPORT</u> COACH

- All physicals must be completed using the forms provided by the school.
- <u>No other forms will be accepted.</u> These forms may be downloaded from the District website at <u>www.wtps.org</u> (go to High School/ Athletics page) or picked up from the athletic office.
- Sports physicals must have been completed within <u>365 days</u> of the first day of tryouts for any given sport.
- All physicals must be reviewed by a WTHS School Nurse and reviewed and approved by the WTHS School
  District Physician, per regulation. Therefore, they must be submitted by the deadline. Failure to submit on
  time will result in being declared medically <u>IN-eligible</u> to practice/participate.
- If you answer <u>YES</u> to question 2 on the History Form, then your physician must complete the Asthma Action Plan. (download from WTHS web page/pick up in Athletic office)
- 2. Special Needs Supplement only needs to be completed if your child has a special need.
- 3. All forms must be completed in full or they will be returned as incomplete.

NOTE: Student's physician must sign, date and stamp the Clearance Form

All Forms and Registrations must be submitted by the following dates per sport season:

Fall July 1<sup>st</sup> Winter October 1<sup>st</sup> Spring February 1<sup>st</sup>

No Athlete will be allowed to participate/tryout until <u>ALL</u> of the above steps are completed by the deadlines mentioned above and <u>ALL</u> of their paperwork has been processed through the Athletic Office.

We are now offering the convenience of online registration through FamilyID

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents, if conditions arise after the athlete has been cleared for participation, a physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

Dear Parent/Guardian:

This letter serves as written notification that your son/daughter can/cannot participate in athletics at Washington Township High School for the current year pursuant to N.J.A.C 6A:16-2.2. Please be advised that this letter reflects the recommendation of the examining physician who <u>completed</u> <u>and signed</u> the Athletic Pre-Participation Examination submitted to the school on behalf of your son/daughter.

If your child is deemed unable to participate based on an incomplete form, please ensure that the original examining physician completes the form and returns it to the school to be reviewed for eligibility.

Thank you for your cooperation.
