Dear Washington Township Families,

Please see the attached 2024-2025 SY Free and Reduced Application. Your children may qualify for Free and Reduced Meals and Summer EBT. **You must fill out this current application even if you already submitted an application for this school year. The application that was in Genesis has changed.** We strongly encourage you to submit your application on Payschoolscentral.com to guarantee that it is received.

Why fill out an application:

- You may qualify!
- If you qualify for meal benefits, you may be eligible for additional benefits (internet discounts, sports fee waived, etc.)

Things to remember:

- Only ONE application per household is required.
- If your child received free or reduced meals last school year, an application must be filled out every year to determine if your child qualifies.
- If your family has a change of income status during the school year, you may complete an application at any time.
- If we do not receive an application by October 14th and your child currently receives benefits, your child's status will change to full pay.

Please call the Food Service Department with any questions or concerns at (856) 582-4010.

Sincerely,

Jennifer Mullin

Food Service Manager
