

Washington TWP Food Service Welcome Page

The Washington TWP Food Service Department welcomes you back to another year of learning and meeting new friends. There are so many fun activities, clubs and sports to get involved with in our schools; make sure you give something new a try, including something that you may have never tried from our cafeteria.

We have over 50 staff members that are so excited to welcome you back through the lunch line. Some of our new items include: Buffalo

Walking Taco, Breakfast Pizza, Bacon Chicken Ranch Flatbread, Honey Peanut Butter & Jelly and Raspberry Peanut Butter & Jelly. Of course we are still offering the #1 and #2 favorites, Chicken & Waffles and General's Chicken. Give lunch a try. We will be serving breakfast and lunch on the first day of school. Look for the new breakfast cart in the Core of the High School for more of a grab & go style meal service. Our menus are posted on our website.

The [2025-2026 School Meals and Summer EBT Application](#) is available on our website. You may apply for free/reduced meals on [Payschoolscentral.com](https://payschoolscentral.com) or bring in your paper application to our office at 118 Chapel Heights RD near the buses.

We will be updating our website throughout the year so please come back and take a look. If you ever have any questions, please contact me at the number below. I look forward to serving delicious and nutritious meals to everyone.
