

Orchestra Flipgrid Assignment: Complete this checklist in order.

Gather Materials:

- 2 Electronic Devices one for your flipgrid and one for your play-a-long
 - Either 2 Laptops or Tablet/Phone/Mp3 Player and Laptop
- Headphones or Earbuds
- Instrument – relatively in tune – no extremely loose strings that you will be performing on

Wear Nice Clothes! Don't go crazy though, nice pants and a nice top will be fine. We want to look professional!

Clean Background

- Make sure the background that your video will capture looks nice, no messes, the clearer the walls and floor the better, we want to look professional

Center yourself in your flipgrid camera! (Laptop Device)

- Open the flipgrid link to the concert piece you would like to record (Classical Medley, Maiden’s Rescue, Hunter’s Chorus) **you must use your school email ending in @students.wtps.org**
- Center yourself in your flipgrid camera so the audience can see you 😊 A good model to follow is Mr. Smith’s Play-a-longs.
- Your Bow, Bridge, and Scroll of your instrument should be visible
- Example ----->

Announce you are recording!

- let your family know your recording, politely ask them to be quiet when you are recording, so that your recording has no background noise.

Load your Play-a-long (Other Electronic Device)

- It can be the Mp3 Recording or YouTube Play-a-long
- **Plug in your headphones to this device! Put headphones in your ear!**
- I cannot have the play-a-long in your background, therefore you must use headphones

Press Record on your Flipgrid

Press Play on your play-a-long

Get to your playing position asap

Play your music!
