

Hello Everyone,

The elementary orchestra concerts and assemblies have been postponed.

As of now I do not know how the instrumental music program will be proceeding with the performances. I will immediately notify everyone when I figure out the actions we will be taking towards the events.

I know many of the students were looking forward to the performances. Please tell them I am sorry it has turned out this way. I too, am disappointed at the timing of these events, but it is best to stay healthy and safe.

I would like you and your child to know that I am extremely proud of the orchestra students this year. The concert program was challenging, and they rose to the occasion. The instruments do not play themselves; it takes practice, hard work, and discipline to be able to play an instrument. I am understanding of this and very proud of the progress each individual has made this year.

For now, I will be uploading more play-a-longs to my teacher page in substitution for class lessons. If your child accidentally left their instrument at their elementary school, please have them pick it up on Monday so they may continue to practice for the next two weeks.

Thank you for supporting the orchestra program,

Evan Smith

4th & 5th Grade Orchestra Director

Bells, Wedgewood, Hurffville, Thomas Jefferson, and Whitman Elementary Schools

Washington Township School District

Sewell, NJ 08090
