Dear WTHS Student and Parent:

Want to learn more about how you can earn college credits at the fraction of the cost while attending high school? At Washington Township High School, we have a partnership with Camden County College to offer the High School Plus Program, otherwise known as Dual Credit.

Below is worthwhile information on how our students can earn Camden County College credits while enrolled in select WTHS classes:

- Refer to the Camden County College High School Plus Letter, Minor Application, and Course Selection List
 - Complete the CCC Minor Application thoroughly
 - Page 1 – Include your Social Security Number near the top of the page. Must be included for CCC to process.
 - Page 2 – Circle all appropriate courses for Dual Credit. Sign and date under the REQUIRED STATEMENT.
 - Make check payable to **Camden County College** for \$150. per course
 - Write your child's name on the memo line
 - **Return your CCC Minor Application and check to the Washington Township High School Counseling Office by Friday, February 21, 2020.**

Please refer to our WTHS Counseling Webpage (WTHS Webpage > Departments > Counseling > Camden County College – High School Plus) for additional information regarding CCC High School Plus Program. If you have any questions, contact our office and we will be happy to assist you. Best of luck in the career and college readiness process!
