

MEET THE TEACHER!

The Basics!

Hello Fantastic First Graders! My name is Mrs. Melroy. I will be your first-grade teacher for the 2022-2023 school. This will be my 11th year teaching in Washington Township. It is a great place to live and learn and I am very excited to meet you! My most important goal is to create a family of learners in my classroom.

About Me!

I live in Washington Township with my husband. We both grew up and attended school in Washington Township as well. I started teaching Kindergarten at Grenloch Terrace in 2012, then moved to Bells to teach both in 1st and 2nd grade! I graduated from Cabrini University with my Masters in Education in 2012.

This Summer!

My summer was filled with laughter and fun with family and friends. I spent time with my nieces and nephew who live far away. We also vacation down at the Ventnor beach often! I have enjoyed snuggles with my cats, Cow and Brocco! I also spent some time reading, trying new recipes, and so much more! I can't wait to hear what you did this summer!

This School Year!

In this class you are **explorers**, using maps to navigate the world. You are **scientists**, getting answers by experimenting and studying the world. You are **authors**, using vivid verbs to paint pictures in your readers' mind. You are **mathematicians**, making new discoveries and solving many types of math problems. You are **readers**, adventuring through different genres. You are *unique*, you are *friends*, you are *leaders*, and you are *important*!
