Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student’s SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

**Student Growth**

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

**English Language Progress to Proficiency**

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

**English Language Proficiency Test - Participation and Performance**

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

**NJASK Science Assessment Information**

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

**Chronic Absenteeism**

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of students chronically absent	Percent of students chronically absent	State Average	Met State Average

**Violence, Vandalism, HIB, and Substance Offenses**

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Total Unique Incidents	0

**Police Notifications**

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

**Harassment, Intimidation, and Bullying (HIB) Investigations**

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bullying (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	0	0
Religion	0	0	0

**Student Disciplinary Removals**

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	0	0.0%
Out-of-School Suspensions	0	0.0%

**School Day**

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	9:00 AM
Typical End Time	3:25 PM
Length of School Day	6 Hrs 25 Mins
Full Time - Instructional Time	5 Hrs 40 Mins
Shared Time - Instructional Time	N

**Device Ratios**

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1:1

**Per-Pupil Expenditures (District Level)**

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

**Comprehensive Status**

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

**Targeted Status**

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

**Accountability Indicator Scores and Summative Rating - 2017-18 School Year**

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Score	Weight
English Language Arts Proficiency	19.55	17.5%
Mathematics Proficiency	47.57	17.5%
English Language Arts Growth	18.36	25.0%
Mathematics Growth	81.31	25.0%
Progress Towards English Language Proficiency (coming 2018)	**	**
Chronic Absenteeism	26.86	15.0%
<b>Summative Score:</b> Sum of all indicator scores multiplied by indicator weights	40.69	n/a
<b>Summative Rating:</b> Percentile rank of Summative Score	33.77	n/a
<b>Requires Comprehensive Support:</b> Summative Score is in the bottom 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

 <p>Courses, Curriculum, Instruction:</p>	<p>A comprehensive balanced literacy approach provides students with opportunities to engage in variety of authentic reading and writing activities while learning foundational skills in a systematic approach. In addition to an inquiry based approach to science and social studies, an observable connection exists with literacy integrated throughout the curriculum. Mathematics instruction fosters critical thinking and problem solving skills while students work in small guided groups or partnerships.</p>
 <p>Clubs and Activities:</p>	<p>Students may elect to engage in the following clubs: Drama Club, STEM Club, Strategic Games Club, Newspaper Club, and the Environmental "Green" Club. The majority of these clubs are available to students in grades two through five. In addition, students in fifth grade may be selected to serve as a School Safety. School safeties support arrival and dismissal procedures, as well as, the orderly operations of special events.</p>

 <p>Student Supports and Services:</p>	<p>Student Supports range from academic to social/emotional. SAC and guidance counselors, nursing services, and character programs support the social emotional learner. A variety of academic supports are provided through our intervention/enrichment programs. All teachers analyze data during scheduled data meetings, and our Intervention and Referral Team meets regularly to examine student data in order to make decisions regarding the supports and services for individual students.</p>
 <p>Student Health and Wellness:</p>	<p>Thomas Jefferson School has a Wellness Committee that recognizes the link between student health and learning. The school is committed to providing a learning environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity for all students. Breakfast is offered and served daily in each classroom to promote proper nutrition, improve concentration, and performance in the classroom.</p>
 <p>Parent and Community Involvement:</p>	<p>Our school offers parent involvement in a variety of formats. Our Home and School Council/PTO is an active organization along with our district Special Education Parent Advisory Group (SEPAG). Parent involvement nights such as Parents as Partners and Stepping Up to the Next Grade are informative sessions about curriculum, instruction, and social and emotional supports. Parents are active on school-based committees, and they are also involved in school events and special programs.</p>

Other Information:

Technology applications continue to be infused into every aspect of the curriculum. This allows technology to open doors for students to access a world of knowledge that exists beyond the doors of our school. The computerized classroom assessment program, STAR Enterprise Reading and Math, is used by all students in all grade levels. The program is used for screening, benchmarking, and progress monitoring. STAR allows teachers to spend less time on assessment and more time on instruction. The Accelerated Reader Program challenges students to read engaging books and then test their comprehension ability through on-line quizzes. First in Math, a robust, online math supplemental program, provides students with opportunities to practice math facts and problem solving skills in a fun and engaging format. Fast ForWord, a computerized program, accelerates learning by developing cognitive skills, memory, attention, processing, and sequencing through a series of activities. Other students participate in Read 180 or System 44 to enhance their acquisition of literacy skills. All of our classrooms are equipped with computers, document cameras, Red Cat amplification systems, LCD projectors, and/ or short throw projectors. Our school enables parent access to grades and attendance using the data management system, PowerSchool. The school website and staff web pages provide parents with detailed information regarding daily events and curriculum information.
