6th Grade Keyboarding

Please visit my teacher page under sub-page "6th Grade Keyboarding" for all pertinent class information (*forms, login information, procedures, etc...*).

Class DOJO

I will be immediately informing you of your child(s) classroom behavior (positive and negative.) Class DOJO can track the students' classroom behavior over time and create a "Behavior and Skills Report" that can be emailed to you.

Remind

I will be communicating with you through Remind about any pertinent class information regarding your child. If you have not already signed up for your child(s) class I have provided sign-up information below based on the class period your child has on his or her schedule for my classes. To register with my remind account simply find your class period and text the "@message" from the appropriate class period to the number (856) 457-3226 (This is not my cell phone number; it is automatically generated from the site.)

REMIND SIGN UP by Class Period

Period 4 - @h67g7

Period 8 - @kc3k9
