The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school’s test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the  icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Mathematics Assessment - Performance by Grade: Grade 5

This table shows participation and performance on the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by end of course exam. This table shows by school and student group the number of valid test scores and the mean scale score for the school, district, and state. It also shows the percentage of students at each performance level and the percentage of students who met or exceeded expectations (Level 4 or 5) for the school and the state.

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:

Student Growth

This table shows the **median Student Growth Percentile (mSGP)** for both English Language Arts/Literacy (ELA) and Mathematics for the school and each student group with comparisons to the district and the state. This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	63.7	17.5%
Mathematics Proficiency	90.8	17.5%
English Language Arts Growth	54.0	25.0%
Mathematics Growth	71.1	25.0%
Chronic Absenteeism	66.9	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		68.3
Summative Rating: Percentile rank of Summative Score		77.7

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group’s performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 <p>Highlights:</p>	<ul style="list-style-type: none"> • Curriculum includes Everyday Math, Balanced Literacy, Integration of Technology, and Inquiry Based Instruction • Intervention periods allow for differentiated instruction tailored to the unique learning needs of our students. • Our Whitman Elementary Chorus participates annually in the Winter Concert with the Philharmonic of Southern New Jersey.
 <p>Mission, Vision, Theme:</p>	<p>The mission of Whitman Elementary School is to foster a safe and supportive environment where individuals can strive towards their unique potential through challenging and diverse learning opportunities. Innovative instructional practices, outstanding curriculum, exemplary professional development, and a safe learning community underscore Whitman School's dedication to "Paving the Way to Excellence."</p>
 <p>Awards, Recognition, Accomplishments:</p>	<p>Whitman students consistently achieve well on standardized testing each year. Whitman is quite proud of its work to recognize our veterans each year in the form of a Veterans' Day breakfast and ceremony where we invite close to 100 veterans to the school to participate. All of these veterans are in some way affiliated with our school. The school also raises funds/materials for myriad charities and families in need.</p>

 <p>Courses, Curriculum, Instruction:</p>	<p>A comprehensive balanced literacy approach provides students with opportunities to engage in variety of authentic reading and writing activities while learning foundational skills in a systematic approach. In addition to an inquiry based approach to science and social studies, an observable connection exists with literacy integrated throughout the curriculum. Mathematics instruction fosters critical thinking and problem solving skills while students work in small guided groups or partnerships.</p>
 <p>Clubs and Activities:</p>	<p>Students may elect to engage in the following clubs: Drama Club, STEM Club, Strategic Games Club, Newspaper Club, and the Environmental "Green" Club. The majority of these clubs are available to students in grades two through five. In addition, students in fifth grade may be selected to serve as a School Safety. School safeties support arrival and dismissal procedures, as well as, the orderly operations of special events.</p>
 <p>Before and After School Programs:</p>	<p>The Get Set Program and the Good Morning Math Program, are intensive tutoring programs which provide diagnostic-prescriptive instruction before school for identified students in grades 1-5. Working Writers, aimed at improving students' writing skills, exposes students to a wide variety of writing genres and writing tasks. Overall, students are provided with additional time to improve their math and literacy skills during these programs.</p>

 <p>Staff and Professional Learning:</p>	<p>The Whitman Elementary staff engages in district-level and site-based, job-embedded professional development opportunities. These high quality workshops develop theoretical understanding, provide demonstrations and/or modeling, and include opportunities for collaboration. Analysis of student data guides the content of these programs. In addition, the sharing of instructional strategies adds to the innovation of these professional development experiences.</p>
 <p>Student Supports and Services:</p>	<p>Our Whitman I&RS committee meets regularly to establish interventions and strategies for our most struggling learners. Whitman's Special Education department tracks student progress using Aimsweb which requires teachers to progress monitor students' progress at least 1-2 times per month. Whitman is one of our district's elementary magnet schools for our Special Education Learning Disabled (SCLD) students.</p>
 <p>Student Health and Wellness:</p>	<p>Breakfast program is offered each day at Whitman. Students engage in brain breaks throughout the day which allows them to get up and move around to stay physically engaged. Students enjoy Physical Education classes weekly and outdoor recess daily (weather-permitting). Whitman's Health and Wellness committee supports our students in their commitment to their health.</p>
 <p>Parent and Community Involvement:</p>	<p>Our school offers parent involvement in a variety of formats. Our Home and School Council is an active organization along with our district Special Education Parent Advisory Group (SEPAG). Parent involvement nights such as Parents as Partners and Stepping Up to the Next Grade are informative sessions about curriculum, instruction, and social and emotional supports. Parents use PowerSchool to monitor their students' grades.</p>

 <p>Facilities:</p>	<p>Whitman Elementary School was built in 1965. Improvements have been made to the property such as installing new cameras in various parts both interior and exterior. The building is air conditioned. In the summer of 2016, Whitman enjoyed the installation of two new playgrounds: one for Kindergarten students and one for grades 1-5.</p>

Other Information:

Technology applications continue to be infused into every aspect of the curriculum. This allows technology to open doors for students to access a world of knowledge that exists beyond the doors of our school. The computerized classroom assessment program, STAR Enterprise Reading and Math, is used by all students in all grade levels. The program is used for screening, benchmarking, and progress monitoring. STAR allows teachers to spend less time on assessment and more time on instruction. The Accelerated Reader Program challenges students to read engaging books and then test their comprehension ability through on-line quizzes. First in Math, a robust, online math supplemental program, provides students with opportunities to practice math facts and problem solving skills in a fun and engaging format. Fast ForWord, a computerized program, accelerates learning by developing cognitive skills, memory, attention, processing, and sequencing through a series of activities. Other students participate in Read 180 or System 44 to enhance their acquisition of literacy skills. All of our classrooms are equipped with computers, Smart Boards, document cameras, Red Cat amplification systems, LCD projectors, and/ or short throw projectors. The addition of short throw technology transforms our whiteboards into interactive computer screens viewable by an entire classroom. Our school enables parent access to grades and attendance using the data management system, PowerSchool. The school website and staff web pages provide parents with detailed information regarding daily events and curriculum information.
