mdostilio@wtps.org

Greg Muscelli, Assistant Principal

Gmuscelli@wtps.org

tDap & Meningococcal:

State Mandated Vaccines

Make appointments w/ child's doctor over the summer

Noncompliance will result in exclusion from school.

Due before the child enters middle school

Medications and Allergies:

- Asthma treatment plans with inhalers must be resubmitted with a new date every year
- Medication **MUST** be delivered by the parent directly to the school nurse
- Medication **MUST** be accompanied by forms for the administration of the medications
- All medications including Epipens and Inhalers must be current and not expired
- All allergies to food and medications must be on file and on Emergency card

Sports Physicals:

Sports Physicals for fall participation (Field Hockey) are due by June 1st.

Sports Physicals for winter participation (Wrestling or Basketball) are due by November 1st.

Forms will be available to download from the Washington Township Schools Website (Health History Questionnaire)

Safety and Social Distancing

Not New

- Make sure each student is well before coming to school and with no fever.
- Have someone accessible to pick up a child if the child becomes ill.

New

- Equip each child with a mask to be worn at school.
- Make sure they have hand sanitizer.
- Help teach child to follow all social distancing protocols and signs (6 feet).

*The Bulldog
is more than
a mascot; it's
our character*

Courses

Core Classes:

- Mathematics
- Science
- ELA
- Social Studies
- 1 Semester of World Language
- 1 Semester of Financial Literacy

Exploratory Classes:

- Art
- Music Appreciation
- Intro. Technology & Engineering
- Digital Literacy

*If students are enrolled in Band, Orchestra, & Chorus they will only take Digital Literacy

WHAT IS BLENDED LEARNING?

Part of the time students learn in their traditional brick and mortar building

Part of the time students learn away from school while choosing their own path, pace, or place.

Schoology will house many of your child's lessons. This is the main thing your child must know to access their work in both the remote and face to face settings.

SCHOOLOGY FOR STUDENTS

The Road Back...Reopening Schools

We currently meeting as a district and are working to accomplish the tasks delineated in the Critical Areas of Operation which focus on...

- General Health/Safety
- Classrooms
- Transportation
- Students traveling in the halls
- Screening and PPE
- Contact Tracing
- Facilities Cleaning
- Meals
- Physical Education
- Extracurricular Activities/Trips

Information to be finalized by early August
