

Using the Math Mastery Mat

- 1. Get a bag of Fact Triangles and a Math Mastery Mat.**
- 2. Pick one triangle at a time from the bag.**
- 3. If you can say the answer in one second or less and it is correct, put it in the "Got it" box.**
- 4. If you can say the answer in less than two seconds and it is correct, put it in the "Almost!" pile.**
- 5. If you took longer or got the answer wrong, put it in the "Not Yet" pile.**
- 6. Count how many were in each pile. Make a list of the fact triangles in each pile. Now, you know which ones to study!**
