Directions to Clearing your Browser Cache in Mozilla Firefox

1. Simultaneously click on the **CTRL-SHIFT-DELETE** buttons on your keyboard. This generates the "**Clear Recent History**" window.

			1	
	Clear Recent History	~		
	History Browsing & download history	Cookies		
	Active logins	✓ C <u>a</u> che		
	✓ Eorm & search history			
G Search with Goog	Data			
	Site settings	Offline website data		
		OK Cancel		
ebay		SIS	Ø	

2. Using the dropdown menu, select "**Everything**" for the time range. Make sure the box is checked next to "**Cache**" and click "**OK**."
