

**IMPORTANT NOTICE FROM THE NJDOH REGARDING STUDENT IMMUNIZATIONS  
FOR THE 2020-2021 SCHOOL YEAR:**

The New Jersey Department of Health (NJDOH) has received inquiries regarding the status of the immunization of pupils in school regulations (N.J.A.C. 8:57-4). The value of immunizations is even more evident during this pandemic: **therefore, NJDOH will not waive the vaccine requirements nor will there be any extensions for the upcoming school year.** Students will be expected to comply with all vaccine requirements prior to attending virtually or in-person at a New Jersey childcare/preschool and school. New Jersey still allows for medical and religious exemptions when applicable. Contact your health care provider for additional information.
