Good afternoon, WTPS Families,

I hope everyone had a wonderful weekend! This letter is to notify you of our new [WTPS Reopening 2020-21](#) webpage. This webpage will be a repository for all of our community communications, information, and resources related to the district's reopening efforts. We are still in the process of populating it, but I wanted you to know that it is operational. On this page, we have also included an email address that you are encouraged to utilize to send us your questions and concerns. We will use your thoughts to help us formulate our finalized Reopening Plan and release global communications, as necessary.

You can find a dedicated link to the WTPS Reopening 2020-21 right on our [district homepage](#). The link looks like this:

As always, your time and attention are appreciated!

Most sincerely,

Katherine T. Carey

Director of Assessment, Data Technology, Registration and School Community Outreach
