The Washington Township Public School Task Force is working diligently to develop a plan for the reopening of schools in the Fall. The Task Force consists of 8 subcommittees to ensure that we can deliver this plan to the community efficiently while utilizing multiple perspectives and input from administration, teachers and staff from multiple departments, supervisors, board of education members, parents, local experts, and other community members, as needed. The Task Force and committees include over 30 district parents, many of whom serve in dual roles as staff and/or board of education members. The following are a few determinations that we would like to communicate at this time:

### Instructional Schedule 2020-2021

The Washington Township Public School Task Force has approved the proposed instructional schedule for returning to school this Fall. We determined that this schedule is the best way to keep our staff and students as safe as possible while providing meaningful instruction. As noted in our previous communication, we are required by the NJDOE to implement particular “minimum standards,” as outlined in their publication, “The Road Back.” This includes social distancing in classrooms, hallways, and buses, to the greatest extent possible. In order to provide 6 feet of social distance between desks, we must divide our students into cohorts. The cohorts will be as follows:

<table>
<thead>
<tr>
<th>Monday/Tuesday</th>
<th>Wednesday</th>
<th>Thursday/Friday</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>In-Person</strong></td>
<td>ALL STUDENTS REMOTE</td>
<td><strong>Remote Learning</strong></td>
</tr>
<tr>
<td>Cohort A</td>

<tr>

</tr>
<tr>
<td>Remote Learning</td>

</tr>
<tr>

</tr>
</tbody>
</table>

To summarize:

- **Cohort A** will attend in-person instruction on Monday and Tuesday and will be remote Wednesday, Thursday, and Friday.
- **Cohort B** will attend in-person instruction on Thursday and Friday and will be remote Monday, Tuesday and Wednesday.
- **Cohort C** will attend in person instruction Monday, Tuesday, Thursday, and Friday and will be remote Wednesday.
Please note that Cohort C will include all students in self-contained special education programs as well as our English Language Learners as these programs depend on in-person instruction to be most effective.

- **Cohort R** will be completely remote.

All in-person instruction will be provided on an early dismissal schedule. This is necessary to allow our teachers to teach both in-person and remotely. **Lunch will still be provided but will utilize a “grab and go” format** as to prevent the need for use of the cafeteria. Specific schedules are as follows:

<table>

<tr>

*All periods for in-person instruction will be approximately 60 minutes.*

As stated in prior communication, we will be asking all parents (via survey) for their preference in how they would like their child(ren) to receive instruction. Parents will select from the following options for each child in the family:

- I would like my child to receive in-person instruction. *(Cohorts A, B, or C)*
- I do NOT want my child to receive in-person instruction. I would like my child to receive all instruction remotely. *(Cohort R)*

**Please note:**

- All children residing at the same address will be assigned to the same cohort (A or B), unless the parent selects remote instruction (Cohort R) for a particular child.
- Wednesday will include remote instruction for all students; it will also include teacher office hours, synchronous check-ins, and virtual supplemental supports. Additionally, it will allow for deep cleaning of our school buildings.
- Cohort C will automatically be assigned to students in self-contained special education classrooms and our English Language Learner Program; however, parents of these children may select the fully remote option (Cohort R).
- For parents who are opting for in-person instruction (Cohorts A or B), please be aware that we cannot accommodate requests for a specific cohort (A or B). If you select “I would like my child to receive in-person instruction,” the district will assign your child(ren) to the appropriate cohort so that we can ensure proper social distancing.
- We understand and appreciate that it is difficult to make a fully-informed decision about your child(ren)’s instruction without receiving the final re-opening plan (as it is being developed); therefore, we will provide one more survey immediately after the final plan is released. You may change your selection at this time. After this survey has been conducted, we may not be able to accommodate any changes to your selection (in-person or full remote instruction) once your choice has been submitted as we need to maintain specific numbers of students per class to maintain social distancing.

Finally, with the implementation of the instructional schedule noted above, we are changing the first day of school for students to **Tuesday, September 8, 2020.**
Transportation 2020-2021

As noted above, the district is making every effort to comply with social distancing in every aspect of the student experience. This includes our bus transportation. For those families who opt for their child(ren) to receive in-person instruction, we respectfully request that any family who is able transport their child(ren) to school to waive their right to transportation. Please note that while this is not a requirement, the more families who can assist us with providing their own transportation, the better we can keep our students and staff safe during this portion of the day. Therefore, if you select “I would like my child to receive in-person instruction. (Cohorts A, B, or C)” in the survey, you will also be asked to select from the following options for each child:

- I will waive my child’s right to transportation for this year or until social distancing is no longer necessary.
- I do NOT waive my child’s right to transportation for this year. I am requesting bus transportation. (Please select this option if you can only provide transportation for your child one way (to or from school), but not the other)
- My child is a walker and does not need transportation.

Please note:

- As stated in the previous section, we understand and appreciate that it is difficult to make a fully-informed decision about your child(ren)’s transportation without receiving the final re-opening plan (as it is being developed); therefore, we will include the above transportation options in the survey that will be employed after the final plan is released. You may change your transportation selection at this time.
