

## Writing Prompt Grade Seven Advanced Science Summer Assignment

Think about activities you have done over summer break related to science:

- Choose **TWO** of these activities as topics for your writing
- For each activity, identify the most closely related field of science to the activity (some examples of fields of science are: life, physical, earth, astronomy, chemistry, physics and there are many others). See Figure 1-3\* below.
- Describe the field of science and how the activity is related to the science. Remember to write about TWO activities!

**Figure 1-3\***

This chart shows one way to look at science. Modern science has many branches and specialties.
