

Penny Plate

Getting Ready to Play

- You need 10 pennies and a plate
- If this game proves too difficult, play the game with 5 pennies.
- 2 Players

Directions:

Player A hides his/her eyes. The Player B covers some of the pennies with the plate but leaves some of the pennies visible. Player A tries to guess how many pennies are hidden under the cup. Now Player B gets to hide his/her eyes and Player A hides the pennies.
