

# Washington Township High School Office of the Executive Principal

Dear Parents/Guardians:

Please see below the high school mid-term exam schedule for 2019. These exams will take place from Tuesday, January 29<sup>th</sup> through Friday, February 1<sup>st</sup>. Please note that the exams are not scheduled in numerical order but feature a lunch period as the second exam on each of the 4 exam days.

Any student without an exam for the 2<sup>nd</sup> exam period on a given day, due to it being their lunch or study hall period, may be excused early with a parental note. Notes must be submitted in Cafeteria D for ninth and tenth graders and Cafeteria A for eleventh and twelfth graders. Students who do not have an exam in the early part of the day due to a study hall may arrive to school late for the second exam. If students need to come early or stay at school during a lunch period due to transportation, study halls will be provided in the above-mentioned cafeterias. Please note that school transportation will not be provided for late arrivals or early dismissals.

Please be reminded and discuss with your children that the mid-term exams count as 10% of their final grade and 20% of their first semester average. These exams are a critical piece of their academic success. Please join us in reminding them of the importance and their need to be prepared. We appreciate your support in this.

Sincerely,
