Attention Parent / Guardian: The State of NJ requires us to notify and bill your former school district for your child's tuition if you are in a homeless situation. This information is confidential and does not affect your child's enrollment. However, if you file a fraudulent claim, you may be held liable for the student's tuition. You must notify the Registration Office when you establish your own permanent residence.

Under the McKinney-Vento program, your child may be eligible for additional assistance through Gloucester County Special Services. Release forms are available in the Registration Office.
