

# Read180 Spelling Log Homework

**Directions:** Each night you will have 5 spelling words to copy 7x each. Read the words out loud as you spell so that you will remember them!

If you have any study words on your dashboard from the Read180 software, you must write them down and copy the words 7x each for homework.

If you have less than 5 study words from the dashboard, you need to pick a few more to fill up your chart:

1. Use this packet to find your Read180 software topic.
2. Pick spelling or vocabulary words from your current topic segment to write down 7x each.
  - \*Level 1 are easier words, level 2 are average, and level 3 words are challenging.
3. Cross them off as you use them so you don't repeat any!
  - \*If you run out of vocabulary & spelling words in your topic, you may begin to repeat them.
