● **Overview training on Schoology Gradebook, Assignments, and Assessments:**

Wednesday, December 16 from 1:00pm – 3:00pm hosted by Mike and Kathi.

Use [this link](#) to join.

- You will need this information as a prerequisite to our January sessions! If you are already very comfortable with these tools, there is no need to attend. This is a basic overview for those who need experience with Schoology gradebook, assignments, and assessments. You are encouraged to watch [this video](#) for an overview of the topics!

● **Join Danielle Curry and Emily Ehret in January as they share how to use Schoology to help support your final rating determination for all ELA, mathematics, and science/social studies standards.**

- **Reserve these dates and times. Links will be sent out prior to the trainings:**

- January 6 – Grade 3 (Birches, TJ, and Bells) 10:00 -12:00

● **Early Adopters may choose to watch [this training video](#) from Danielle Curry.**

Danielle has found a way to support teachers in determining a rating for each report card standard. If you are eager to get started, this video will provide you with everything you need to begin the process.

- Kathi Kersznowski has already entered the report card standards into *Schoology WTPS Grade Level Resources* so you can get started after finishing the video above.
