Dear Washington Township Families:

To best provide a comprehensive look at the details of the District's newly unveiled Redistricting plan and proposed implementation of full-day kindergarten, we have planned a community meeting. **The meeting is scheduled for Thursday, January 21, 2016, at 7 p.m. in the Investors Bank Performing Arts Center at Washington Township High School** and will include a presentation that will outline both initiatives and provide a period for questions and answers for those in attendance.

In advance of that meeting, I am sharing two separate question-and-answer sheets, one on redistricting and one on full-day kindergarten, which you may be interested in reviewing. These sheets also have been posted on the District website.

We have much work to do in the coming months, but I remain confident that the redistricting plan is a sound and well-conceived one and that full-day kindergarten will further bolster our academic offerings. I look forward to continuing our community dialogue on January 21<sup>st</sup> and to putting these necessary and long-anticipated changes into place for the start of the 2016-17 school year. Your support and interest is appreciated and encouraged as we work together to expand educational opportunities and growth for all of our students.

Sincerely,
