

Welcome to Kindergarten!

Miss Mackenzie Landon

Hello! I am so excited to be your kindergarten teacher! We will learn so much this year and we will have SO much fun along the way! It's going to be a great year full of new friends, adventures, discoveries, activities, and experiences! This will be my 4th year teaching in the Washington Township School District, and my 3rd year teaching kindergarten at Whitman!

In this classroom...

We value your ideas, we care about your feelings, thoughts, actions, and experiences! You have many talents and strengths and we are so excited for you to share them with us. You will learn so much this year and I can't wait to see how well you do!

Contact me...

One of my many goals as a teacher is to always encourage open communication with families! In this classroom we will use Class Dojo, where I will post messages, reminders, attachments, student work, and much more. There will be a letter sent home to guide you to sign into your child's Dojo account. We also use SeeSaw so that each child can use their account to take pictures and videos of their work and accomplishments with our classroom iPads. They will be able to post them on their SeeSaw account so that you can see what we are up to in our classroom!

Please feel free to email me with any questions or information you would like me to know! malandon@wtps.org
