

Resources for Animal Research

As you research, remember to take good notes and use your own words!

You may use books or online resources such as those listed below. It's fine to search the web for additional sites (not Wikipedia).

A-Z Animals

www.a-z-animals.com

Animal Diversity Web

www.animaldiversity.ummz.umich.edu

Animal Planet

www.animal.discovery.com/animals/

Britannica Online

www.britannica.com
