Parental Request to “Opt Out” of Release of Student Information To Military Recruiters and/or Local County Vocational School

Dear Parent:

Under the federal “Elementary and Secondary Education Act”, public high schools must give the names, addresses and telephone numbers of students to military recruiters, if the recruiters request the information (P.L. 107-110, Section 9528; 10 USC 503). New Jersey middle schools and high schools must also provide this contact information to the local county vocational school. Students or their parents, however, have the right to instruct the school in writing that this information is not to be released.

If you do not consent to the release of this information to 1) military recruiters or 2) the local county vocational school, please check the appropriate box or boxes below. To be certain your wishes are respected, return this form to the Main Office of your child’s school by September 30th. Signed forms returned after that date will be effective after receipt by the appropriate Main Office:

- DO NOT release student contact information to Military Recruiters.
- DO NOT release student contact information to the Gloucester Country Institute of Technology.
