Week of Respect Kick Off 2020

October 5-9, 2020

On Monday, October 5, 2020 in our lunch study halls, we are beginning our Week of Respect as we focus on making a difference or simply put being a "difference maker". We will be having an activity in our split lunch/study hall classes.

We will play two (2) videos for the students

- The first is from Dr. Muscelli and Mr. D'Ostilio focusing on what it means at Bunker Hill to make a difference. That can be found at this link:

- The second is a video from Joe Beckman, reputable speaker on social/emotional awareness. Click on the link below:

We will also ask students to take a brief survey about their experiences as difference makers. Click the Link Below

He is also giving a special (pre-recorded) talk to Washington Township. That video will be populated to students and families.

Mr. Petticrew will also be available from 1-2pm every M, W, and Thursday to talk about Being a Better Bulldog or things that you'd like to get support on from a social emotional standpoint.
