

Here's more about the...

23rd Annual WTEF Golf Classic

It's almost golf time again, and with two decades of successful events behind us, we look to continue the tradition in 2019. Thank you for being a part of it!

Since 1996, school officials and community leaders have worked together to expand and strengthen the WTEF. To date, the WTEF has donated over \$960,000 to bring in noted professional and multi-cultural programs, establish the Renaissance Program at WTHS, fund a student art gallery, dance studio and greenhouse. In addition, the WTEF has supported the High School Marching Band, Project Graduation, has issued 500 mini-grants to staff members for classroom programming, has outfitted the middle schools with advanced audio-visual equipment, funded a new sound system at Tom Brown Stadium and purchased t-shirts for a District-wide anti-bullying initiative. Without your help, the WTEF cannot move forward with some of its long-term projects. Like all nonprofit organizations, we need to raise funds to accomplish our goals.

Our first 22 Golf Classics were successful thanks to generous corporate sponsors, individual golfers and a great team of volunteers.

Don't delay! To ensure leisurely play on this 18-hole course, the tournament will be limited. Reservations must be made by **June 14th**.
