

Goal 1	<p>ELEVATING ACADEMIC EXCELLENCE:</p> <p>WTPS will foster an environment of continuous improvement and innovation in both regular and special education, with the goal of maximizing student potential, ensuring equitable opportunities for all students, and achieving exceptional academic outcomes for all students. WTPS supports and advances learning environments that emphasize meaningful and personalized learning, student empowerment, and student growth in both general education and special education classrooms. We will ensure that the district has high quality curricula for all students. In addition, WTPS supports the meaningful use of data-driven instruction for all students by utilizing the district's process of teach, assess, and remediate. WTPS staff will communicate standards-based strengths and weaknesses to both students and parents/guardians.</p>
Goal 2	<p>SAFETY AND SECURITY</p> <p>WTPS believes in creating safe and secure learning environments that promote the physical and well-being of students, staff, visitors, while safeguarding district facilities and grounds against potential threats and hazards. WTPS will continue to place a strong emphasis upon school safety and security best practices. We will continue implementing our current district best practices and continue to research new possible best practices. The safety and security of our students and staff is our top priority.</p>
Goal 3	<p>FOSTERING WELL-BEING</p> <p>WTPS believes in prioritizing and enhancing the mental health and emotional well-being of every student and staff member within our educational community, creating a safe environment that supports positive mental health outcomes and empowers our students and staff to reach their full potential. Our district places a strong emphasis on mental health and wellness. We believe strongly in staff and systems that support the mental health of students, staff, and the community.</p>
Goal 4	<p>PROFESSIONAL DEVELOPMENT</p> <p>WTPS will continue to develop and deliver professional development designed to increase the effectiveness of the staff and to support our staff in professional growth. In addition, the district will ensure that all staff members are trained on State-mandated professional development requirements. Finally, all staff members will receive professional development related to best practices for the entire student population.</p>
Goal 5	<p>TECHNOLOGY</p> <p>WTPS will continue to focus on the positive integration of technology in classrooms with the focus on developing knowledge of programs, equipment, effective usage, usage with purpose, and using data to address the specific instructional needs of students. WTPS will design a successful transition plan to both the LinkIt! and Google Platforms and support our students and staff in this endeavor.</p>
Goal 6	<p>RETENTION AND RECRUITMENT</p> <p>WTPS will place a strong emphasis on the retention of current staff and the recruitment of new staff.</p>
