Become self-aware by asking...

- What subjects do I like best?
- What electives would I enjoy?
- What activities do I want to be involved in?
- Am I doing what I need to for graduation?
- Do I have a plan for after high school?

Make responsible decisions by...

- *Having conversations with your teachers, parents, siblings, or friends before selecting your courses.*
- *Meeting with your counselor to create a Personalized Student Learning Plan that includes your accomplishments such as course/credits, GPA, standardized tests, extracurricular activities, and future goals.*

Let's celebrate you being you!

Customizing Your Plan

- Here is a sample of your WTHS Personalized Student Learning Plan (PSLP) where you can design your future:

How to Self-Manage Your Plan...

- NJ requires acquiring at least 120 credits for graduation and WTPS requires 130 credits beginning with the Class of 2025
- NJ requires passing a standardized test such as NJGPA for graduation
- WTHS requires maintaining at least six classes per semester
- WTHS requires adhering to attendance and discipline code of conduct
- NJ requires student-athletes meeting NJSIAA eligibility and colleges require meeting NCAA eligibility

New Jersey Test Requirements

Classes of 2023–2025 High School Graduation Assessment Requirements

Class of 2023 (Updated July 2022)

On Tuesday, July 5, 2022, Governor Murphy signed P.L.2022, c.60 (ACS for A-3196/S-2349), which requires the State Board of Education to administer the New Jersey Graduation Proficiency Assessment (NJGPA) as a field test for the class of 2023. There is no graduation assessment requirement for any student who is expected to graduate with the class of 2023. Students in the class of 2023 must still meet all the other State and local graduation requirements, including but not limited to credit, curriculum, and attendance requirements. The graduation assessment requirements for the classes of 2024 and 2025 remain in place.

Class of 2024 and 2025 (Updated May 2023)

On May 3, 2023, the State Board of Education approved the graduation ready cut score for the ELA and mathematics components of the NJGPA, as well as the menu of alternative assessments and aligned cut scores.

The requirements in this section were adopted by the New Jersey State Board of Education on September 8, 2021 for the classes of 2023–2025.

English Language Arts and Literacy (ELA)

If, after completing the New Jersey Graduation Proficiency Assessment in grade 11, students did not demonstrate proficiency by passing the ELA component, such students may access the following pathways:

- **Second Pathway:** By meeting the designated cut score on a substitute competency test such as the PSAT, SAT, ACT, or ACCUPLACER; or
- **Third Pathway:** By submitting, through the district, a student portfolio appeal to the New Jersey Department of Education.

Mathematics

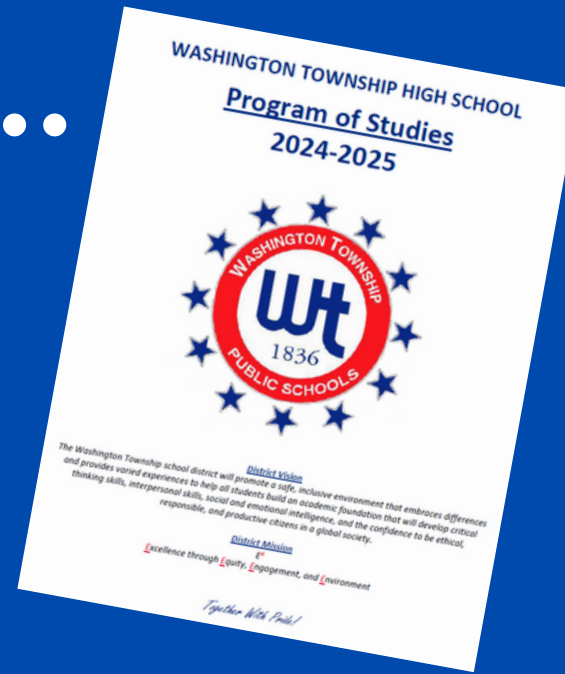

If, after completing the required New Jersey Graduation Proficiency Assessment in grade 11, students did not demonstrate proficiency by passing the mathematics component, such students may access the following pathways:

- **Second Pathway:** By meeting the designated cut score on a substitute competency test such as the PSAT, SAT, ACT, or ACCUPLACER; or
- **Third Pathway:** By submitting, through the district, a student portfolio appeal to the New Jersey Department of Education.

Prepare to Meet With Your School Counselor by...

- Speaking to teachers and your parents about course options
- Talking with your siblings and friends about their experiences
- Reviewing the **Program of Studies** on WTHS Counseling Webpage under Scheduling Advisement to understand courses, sequencing, etc.
- Considering course level change for a good challenge and review teacher and course recommendations
- Understanding weighted grading procedures for Honors and Advanced Placement
- Knowing Dual Credit courses to earn college credits while taking high school courses
- Exploring your Naviance account to see possible careers, schools, and post-graduation choices
- Coming to your appointment on time with questions about specific classes, general interests, and post-graduation ideas
