  - d. **Cancellation is from September 25, 2020 to May 3, 2021** to receive a refund.
  
2. **2021 AP Exam Schedule & AP Exam Reminders:** Review the two important attachments. Here are some additional reasons to take an AP Exam:
  - WTPS reimburses a portion of the AP Exam for students who score the following:  
3 = 50%                      4 = 75%                      5 = 100%
  - Standing out during the college admissions process with the student's transcript reflecting AP course(s).
  - Taking AP Exams help students more clearly understanding college expectations.
  - Entering college with AP credits gives students the time to move into upper-level courses in their field of interest. [Click here to find out which colleges accept AP credits.](#)
  - Students who take a corresponding college course, whether by choice or because it is required, will have an advantage over their peers if they take the AP course and exam.
  - Consider your AP scores for the most competitive scholarship awards.

At this time, the College Board has not notified us whether the exam will be on-line or on paper. As soon as we are made aware, you will immediately be notified. If you have any questions, please contact my office. Best of luck to your child during this important college readiness process!

Respectfully,  
Mr. John Saverase, 11-12 Executive Assistant Principal
