September 19, 2023

Dear Washington Township Parents:

I hope that the start of the new school year is off to great start for you and your child(ren)! Families electing to purchase our annual Technology Care Plan as outlined in the [1:1 Mobile Learning agreement](#) are required to do so by **October 22, 2023** online using this [link](#) for PaySchools. Families who are not familiar with PaySchools may find additional information [here](#). Alternatively, you may send a check or money order to your child's school main office. Families with multiple children in the district are kindly asked to please send in a **separate** payment for each child.

As a reminder, the annual cost for the Care Plan is \$50 for students in grades 3-12 and \$20 for students in grades K-2. Families who qualify and are enrolled for free lunch are automatically covered, while families who receive lunch at the reduced rate may purchase the Care Plan for \$25 for students in grades 3-12 and \$10 for students in grades K-2. Parents are strongly urged to review the linked [1:1 agreement](#) for complete details regarding what is and is not covered by the Plan.

Any questions should be directed to the Help Desk by calling 856.589.8500 Ext. 4357 or by emailing [studenthelp@wtps.org](mailto:studenthelp@wtps.org).

Thank you,

M. Joseph Konecki  
Director of Information Technology
