Dear Bulldog Families,

Today, between 7th and 8th periods, we had an unannounced shelter in place drill. The announcement was made over the PA system and students were asked to remain in their rooms. We also informed the student body after the drill was complete that there was no emergency and there may be times where we go into a shelter in place protocol then evacuate to safe areas on campus. The drill lasted less than 10 minutes with minor disruption to the instructional day.

Thank you as always for your support and helping us stress the importance of these drills to the children.

Have a good rest of the week.

Sincerely,

Mike D'Ostilio

Principal
