June 29, 2018

Dear Parents and Families,

I want to take this time to wish you the best this summer. The holiday is approaching and hope everyone has the opportunity to spend that time with family and friends. As July is around the corner, I wanted to send you this update so that you could keep up with summer information and deadlines. Throughout the summer we are open until 4pm Monday through Thursday and noon on Fridays. Should you have any questions, please give us a call.

## **Summer Calendar of Events:**

<https://www.wtps.org/bunkerhill>

## **Notable Events**

- July 1-15<sup>th</sup>...Fall Sports Physical Forms due to school nurse
- August 7,8,9...9am to Noon...6<sup>th</sup> Grade Summer Transition Program

## **Summer Assignments**

Washington Township has revamped aspects of their summer assignments. Please view the criteria at the following link: [Summer Assignments](#). There are specific directions for grades 6, 7, and 8. Please stay on top of these and don't wait until the end of the summer to tackle these. It is recommended that it is done in increments so as not to be overwhelmed. Please put forth your best effort to begin the year strong.

## **Participation in Middle School After School Sports**

We have the following middle school sports offered:

Fall...Field Hockey and Winter...Wrestling and Basketball

In order to participate in any of these activities, students need completed athletic forms. Please go the athletics page at <https://www.wtps.org/Page/22545> to download the specific forms you need. No one can participate in any sport unless they have the relevant paperwork, physical, and that paperwork is cleared by the school nurse and doctor. This whole process takes about two weeks so if you plan on doing a fall sport, you cannot practice until all the forms are complete and reviewed. The earlier in the summer you get them to the school nurse the better.

### **Calling All Student Coders**

If you are someone who has a desire and/or knack for writing codes, the Congressional App Challenge 2018 is underway. It is a contest that challenges middle schoolers to compete to create an app that can be used spread information regarding the happenings in congress as it relates to the constituents in the area. You may view the brief video at <https://youtu.be/cnM-Bb3TmCU>. You will need a team. Check it out.

### **Summer Transition Camp**

Go to the school website at <https://www.wtps.org/bunkerhill> and scroll down. As you scroll you will see the information for the 6<sup>th</sup> grade transition camp on Aug 7, 8, and 9. Please download the registration form and return all necessary components to the main office at BHMS to register. Students will learn the nuances of grade 6 and meet some of our teachers.

### **To Be Coming:**

As the summer progresses, you will be updated from central and Bunker Hill about start times, bus routes, laptop information, please make sure you follow the social media portals that the school district offers.

### **Principal's Message**
