Dear Bulldog Families

Effective January 2022, all schools are legally required to notify parents when we conduct a school security drill. While we work to conduct drills unannounced, it is important to let you know when one occurred. We will send these letters for safety and security drills only, not the monthly fire drills.

That being said, yesterday, we successfully held our monthly school security drill and then resumed our regular school schedule. This drill (Non-Fire Evacuation Drill) was conducted during 2<sup>nd</sup> period today. We relayed the prompts to the students, and students exited the school. This lasted approximately 10 minutes to fully exit and verify attendance.

Please reach out to me if you have any questions or concerns.

Sincerely,

Mike D'Ostilio
