Dear Families:

This letter is being sent to families of Bunker Hill students who ride buses 6 and 24 as well as bus 2 for the late run. I wanted you to be aware of a suspicious vehicle in the neighborhoods around Plumtree Drive and Hartford Road where these buses pick up and drop off our students. We've had numerous reports that a green Ford F150 pickup truck is at times suspiciously in the area and is noticed by the children. Based on parent and student reports, I notified law enforcement yesterday. School security personnel, transportation, and the Superintendent of Schools have also been notified.

You may have noticed more police presence in your area, and we want to let you know if you or your children come across this pickup truck and feel or notice a concern, please call the Washington Township Police immediately. They can be reached at 856-256-1212. Dr. Muscelli and I have coordinated with transportation that if the drivers of our buses see this vehicle in sight, they are keep the children on the bus and call the police immediately.

Thank you for your attention to this matter. Dr. Muscelli and I take this very seriously and we want to make sure our students remain safe to and from school. If you have further questions, please notify the school.

Sincerely,

Mike D'Ostilio
