Dear Bulldog Families,

Please notice these two videos below as it helps you understand where to find the grades for the 9 week courses your child is taking and how to understand our attendance protocols. Sorry to send it in a separate mailing, but we felt it was prudent for you to have a copy sooner, rather than later. We will put this in the Principal's Update this weekend.

Have a great weekend.

Sincerely,

Mike D'Ostilio

Understanding how to find 9 Week Courses in Unified Classroom.

This video is close caption enabled and allows you to get a sense as to how you can ensure that you're keeping up with the 9-week courses and able to see the grades. This video was created by Integrations Specialist Mr. Hanlon at the high school. As he talks about "PE and Drivers Ed" the same procedure also applies to our health classes and exploratories.
