

L ISTEN EARN EAD

As TWP parents, we want to have these difficult conversations with other parents about sensitive subjects that our children are seeing, hearing about and experiencing. This will be a series of roundtable discussions allowing for continuous dialogue. We invite you to join us for real conversations about real experiences. We will offer resources and ideas for talking to your kids. These conversations will be without judgment. We hope that you will come with an open heart and an open mind.

HOW TO TALK TO YOUR KIDS ABOUT RACISM

Given the recent events, we are starting with a discussion of racism. Racism can be overt and obvious, but it is also silent and systematic.

Our first conversation will take place on June 24th at 7:00 P.M. with a possibility of a second session on June 25th. The location will depend on the number of people interested in participating and will be sent with a confirmation of your registration. Multiple roundtables are possible depending on the amount of interest. Therefore, registration is necessary. For now, these conversations will be with parents of Bunker Hill students only.
