

# TEMPORARY LIBRARY CARDS NOW AVAILABLE

We are issuing temporary library cards to those who are eligible. The cards will allow access to our electronic resources, including e-books, recorded books, movies, magazines, newspapers, databases, and online courses.

Please send an e-mail message to [info@hegganlibrary.org](mailto:info@hegganlibrary.org) to obtain a temporary library card application. Once the application is completed and the card is processed, we will send your temporary barcode and PIN via e-mail.

Please allow 2-3 business days.

Parents and/or legal guardians will need to initiate the temporary library card process for anyone under age eighteen.

Upon the library reopening in the future, you can visit us to convert your temporary card to a permanent card so that you can check out physical materials from the library.
