Hello, parents of next year's fifth graders! We are looking forward to meeting your child next year.

Basic supplies for successful participation in school activities are provided by the Washington Township Board of Education. Additional supplies that enhance the educational program have been eliminated due to budget constraints. Parents have requested guidelines for the purchase of these additional supplies. We hope that by supplying this information you will avoid purchasing things which are not needed.

**NOTE: Please do not label supplies with subjects ahead of time as we will tell them the subject that belongs with each colored folder/notebook on the first day of school! You may however, want to consider putting their name on everything before coming to school.**

- Folders (Any color) – x 2
- Notebooks: x 1
- Large Soft Pencil case – it must be large enough to hold the following supplies:
  - Multiple pencils

  - At least 2 packs of **lined** post-it notes **and** post-it tabs
