June 2020

Dear Parents:

Below are some suggestions for Art supplies at home for your student(s).

Suggested supplies/materials for each student:

- Pencil(s), crayons (small size, 16-pack or 24-pack), multicultural crayons (large 8-pack), ruler, color pencils, eraser, oil pastels (Grades 2-5)
- Paper to be distributed as needed (and projects-in-progress stored in the students' classroom). Paper may be taken home to work on, but if that is the case the student is responsible for bringing it on art day. Alternatives to this are to either keep the paper in the classroom at all times for in-class work only, and if desired the student could work on another paper at home.
-

Pencil(s), large crayons (8-pack), multicultural crayons (small 8-pack), eraser, ruler (Grades K-1)

Thank you,

Rich Herzog
Bells Art Teacher
