

Dear Parents of Future Fifth Grade Students,

The following list contains suggestions, which will be helpful for your child to have in fifth grade. We also ask that you leave all supplies in their original boxes and **unlabeled** as we will open and organize them on the first day.

- Two 1-inch binders (Math & Science/Social Studies)
- One 3-subject notebook
- A pack of binder dividers
- 3 paper pocket folders (no prongs as they will be put into binders)
- 3 red pens
- 3 yellow highlighters
- 3 packs 3x3 sticky notes
- 4 glue sticks
- 1 pair of scissors
- a pack of colored pencils (16 count or smaller is best)
- 1 soft-zippered pencil case (NO BOXES)
- a pack of pencils
- 4 dry erase markers
- 1 dry board eraser or cloth (no spray cleaner please)
- 1 set of earbuds/headphones (must have auxiliary jack)

Tissues, hand sanitizer and wipes are always appreciated!

Please do not purchase large binders or hard sided pencil cases. They are not easily stored in the fifth-grade classroom and make it challenging for students when switching classes.

Thank you,

The 5th Grade Teachers
