“THE VOLCANO THAT CHANGED THE WORLD”

BY: KIAURA BIRCHFIELD, ANDREW BENNETT, LARBARD SAUD DUMAS

GROUP 5#

ENGLISH CLASS PERIOD. 6
Screenwriter Ted Perry once wrote, “All things are connected. Whatever befalls the earth befalls the sons of the earth.” What does this quotation mean? How did the eruption of Mount Tambora demonstrate that “all things are connected”?

Write an essay that explains how the eruption of Mount Tambora demonstrates that “all things are connected” in both of the texts. Be sure to include evidence from the text to support your ideas.
Summary: In the story “the volcano that changed the world” one of the most devastating volcanos erupted. Its name, Mount Tampora, it killed more than 30,000. And it effected the whole world. Mount Tampora erupted on April 5, 1815. A young 10 year old boy lived to tell the tale, “10 year old John Hoistions stared out his window in shock.” this story follows a young boy and his family through this very devastating event. People on the island were the volcano erupted were isolated from the rest of the world, so all the animals and people died. It is very hard to believe that such a devastating
Evidence: Jack was devastated when he saw snow two weeks from summer. When Jack saw the face of his father he was terrified. Jack saw the snowstorm it would wipe out the crops and kill all the animals. Jack thought how would his family would survive
