

# **WASHINGTON TOWNSHIP PUBLIC SCHOOLS**

## **BAND PROGRAM SIGN-UP 2024 – 2025**

Dear Parents / Guardians,

This letter is to inform you that **Flute, Clarinet, Saxophone, Trumpet, Trombone, Baritone, and Percussion** lessons will be offered as part of the regular school curriculum for students entering the Fifth grade for the **2024-2025** school year. In this packet you will find all the rental information you need! Please thoroughly read through all of the information in this packet.

All lessons will be given in school, without charge. Students will miss class on one day of the week – once for a group lesson during the day; and a 2<sup>nd</sup> band rehearsal at the end of the day. The group lesson rotates time slots on a weekly basis, so your child will not miss the same class from week to week.

You will be responsible for providing an instrument and a lesson book for your child. The goal by the end of the year is for students to be able to read music, understand basic music theory, and perform with the school band.

This can be an intimidating excursion for both student and parent. This is a packet with all the necessary information regarding the rental process for an instrument.

In order to assure an early start in September, we are asking that parents and students make their decision at this time as to whether or not they wish to participate in this program.

To expedite the sign-up process and improve communication I have created a Google Form. If your child would like to participate in the band program this school year, scan the QR Code.

# Washington Township Music Department Band Program

Dear Parents/ Guardians,

## How to rent an Instrument:

**Music & Arts Center** provides rental services to each of our schools, including provision of district recommended instruments, accessories, lesson books, supplies, and repairs. A representative from **Music & Arts Center** visits the district each week. We have had an excellent working relationship with **Music & Arts Center** for over 25 years. Parents are assured of quality instruments, timely repairs and quality service.

**A band instrument rental flyer and instructions provided by Music & Arts are attached (pages 4; 6-7).**

Place your order online: [Music & Arts Rental Page](#) (see attached instructions)

Place your order in person:

- Go to Old Town Music, which is a satellite store for Music & Arts
- Go to Music & Arts store in Marlton

Parents who would rather acquire an instrument from another source may do so, but we **urge** you to consult Ms. Forte, the band teacher, first. It is critical to your children's success that instruments meet minimum quality standards. **PLEASE DO NOT BUY A "BARGAIN" INSTRUMENT; THAT MIGHT HINDER YOUR CHILD'S MUSICAL SUCCESS!** (find out more on page 3)

## REMINDERS

- Each student must have a lesson book (**Standard of Excellence: Book 1 By: Bruce Pearson** )
- A music stand is needed for home practice.
  - On page 5 you will see a more detailed list of all required materials for class
  - Please remember that, with daily practice...every child can succeed in this program.

## Instrumental Music Programs

### THE IMPORTANCE OF A QUALITY MUSICAL INSTRUMENT

To the Parents/Guardians of Beginning Band Students:

As a performing member of the band or orchestra, an important tool in the improvement of your child's playing ability is his/her instrument. The instrument is the vehicle that brings the total musical experience to life. Though they may all look alike, rest assured that a good musical instrument can go a long way toward making the musical experience a positive one. As teachers, we have experienced how certain versions of instruments can inhibit the progress of a student. We find that students who play a better-quality instrument often find playing to be easier, their sound to be better and band or orchestra class to be more enjoyable.

There are many quality instruments from which to choose. If you are interested in making an investment in your child's music education, please consider the rental or purchase of a quality musical instrument. Some brands that we recommend for band include Bach, Selmer, Gemeinhardt and Yamaha. **If you find other brands you like, please get in touch with someone you trust for advice.**

If you choose to purchase an instrument from an individual or non-traditional music store, be sure to inquire about warranty, support and availability of loaner instruments in the event a repair is needed. For various reasons, including the availability of parts, some traditional music stores may not repair instruments purchased in non-traditional music stores. Purchasing an auction-type instrument, whether new or used, can also be problematic. Some instruments may be in good shape however most instruments, especially older ones, require a visual and playing inspection to accurately ascertain their quality and playability. A used instrument frequently requires repair and set-up to make it playable. This can add significantly to the overall cost.

For more information, please contact your child's school band director, consult your child's private music instructor or visit one of the local music stores that provide quality instruments. Thanks again for supporting your child's participation in band and orchestra.

Sincerely,

**Birches & Whitman**
